Everett,

“You do know why the figure you posted did what it did in 2017?”

No, what do you mean? Preliminary numbers for 2017?

Regarding the CO₂ growth rate in that figure, it really doesn't look like this:

Hmm..

Really, Ken? Are you now deleting **all** my new comments, even [my comment asking you why you deleted my comment](#)?

Why are you doing this? Have I offended you somehow?
